## The Whole City Is Helping to Empty Hahn's 3 Shoe Stores.

The whole city and all the suburban towns hereabouts it seems have turned out to empty our 3 large stores of their shoe contents. It is a grand opportunity to practice real shoe economy, for the very finest quality of men's women's and children's shoes are being closed out at prices never before heard of for such reliable grades as ours. Every pair of shoes in our 3 stores is being sold at reductions from the lowest known regular prices, for we desire, if possible, to close out our entire stock previous to occupying our new building and the general reorganization of our entire business. Some of the cheaper line of shoes having been entirely sold out, we have replaced them with some of the finer grades at the same low prices. Tomorrow's shoppers will therefore have the greatest values of the Rebuilding Sale.

**FREE HELP FOR WEAK MEN**  
"CALTHOS"—Prof. Laborde's French Cure for Lost Manhood  
5 Days Trial Treatment Sent Absolutely Free by Sealed Mail to all Sufferers  
No C.O.D. or Deposit Scheme

The only preparation known to science which really cures Lost Manhood is "CALTHOS," the marvelous French remedy discovered by Prof. Jules Laborde. It is controlled in this country by the Von Mohl Co., of Cincinnati, Ohio, a concern which occupies a high and honorable place in the world of medicine. It is one of the most responsible houses in Cincinnati, as no one who is acquainted in that city can fail to know. The Von Mohl Company invites all men suffering from Lost Manhood, Spermatorrhea, Varicocele, or Weakness of any nature in the Nervous or Sexual Organs, to send their names and receive a free five days' treatment. This will prove the wonderful healing power of "CALTHOS," and using it five days the sufferers will find new vigor in their system, new force in their muscles, new blood in their veins, new ambition, and rapid progress toward the highest feelings and sensations of younger days.

This liberal free offer is genuine. There is no swindling C. O. D. or deposit scheme connected with it. The five days' treatment is sent by SEALED MAIL to all on request, wrapped in a plain package, and full printed instructions accompany the medicine, so that each patient becomes his own doctor and cures himself at home.

It doesn't make any difference what caused the weakness—whether bad habits in youth, or excesses, or overwork, or business troubles, or any other cause, it doesn't matter what big name the disease may be called by doctors. The Von Mohl Co. treats all correspondence in perfect confidence. Under no condition will it make public the names of the thousands who have written testimonials telling of their restoration to robust manhood after other medicines proved worthless.

"CALTHOS" is regularly used in the French and German armies, and the soldiers in those countries have come to be perfect models of strength and vitality. Cures are effected at all ages from 20 to 80 years. There is no case except where the stage of epilepsy or insanity has been reached (which it will not radically, quickly and permanently cure) that "CALTHOS" does not cure itself. It grows more potent from week to week. Each day aggravates the mental and physical anguish. Send today for the free five days' trial treatment. If it helps you more of the medicine can be bought. If it does not help, no harm is done, and no money has been paid out. You can send your name in the full knowledge that it will be kept from all. Address applications for trial treatment, etc., to the VON MOHL CO., 307 E. CINCINNATI, OHIO, Largest Importers of Standard Preparations in the United States.
